Explanatory Notes

The titles have been classified according to the Dewey Decimal System, the main divisions of Non-Fiction being rearranged in alphabetical instead of numerical order.

Publishers and copyright dates are indicated in bold face. (A list of publishers with their addresses appears on page 7).

The date of our first edition is enclosed in brackets following the date of copyright.

Initials enclosed in parentheses following the date of first publication in braille indicate by whom the first edition was paid for or the plates loaned. (See page 9 for explanation of abbreviations).

If not otherwise indicated, all titles are understood to be in interpoint braille grade 1½. All pages are the regulation 11" x 11" size.

Reading grades for each title are indicated by Roman numerals for Grades I-X, or as Adult.

A complete Catalog of Braille Music is published under separate cover.

Books may neither be borrowed nor exchanged.

When payment accompanies order always include postage. Any differences between the postage sent and the amount actually used will be refunded in stamps, or a bill will be sent for further remittance.

Be sure to indicate whether you wish shipment to be made by express, freight or parcel post.
